

Presentation

Everybody is fashioned for greatness!

ABOUT US

It is our vision that every individual whom we can reach out to, will come to understand the purpose for which he/she was created, and will have the tools and platform to develop his/her potential in a scientific and holistic way.

Problem Statement

Poverty

- Nearly 23% of the population lives below the poverty line;
- Poorly resourced schools;
- Direct and indirect costs of attendance (school fees/uniforms as well as income lost without children contributing to the household economy);
- Not enough educational institutes.

Educational Challenges

- Unable to or low levels of reading the Lao language;
- 18% (as of 2017) don't finish primary education;
- Learning outcomes are low;
- Lack of teaching and learning materials;
- Limited capacity of teachers;
- Dropouts in early years;

Aptitude / Attitude

- Cannot take control of life;
- Trapped in social problems;
- Parents can't educate their children well;
- Can't cope with studies due to low concentration and/or IQ levels.

departments

The Department of Public Work and Transport also received training from our side. They could benefit especially in the field of external relationships.

nursing schools

We've delivered our programs in 2 nursing schools. Our programs improve the students overall capacity and ability to perform in school.

hospitals

We have taught English in 4 hospitals. Hospital workers could improve their communication and overall work-performance by learning English.

public schools

[The program has finished]
Children and youths received English education which improved their overall results in public school, especially in their classes and exams.
